

Dear Mr. Blackburn and Mr. Green,
Thank you for supporting me in
my 2nd year of 4-H. People
like YOU are the ones that
make this the best county
fair in the state. Being in
4-H has taught me many life
skills, and I always look
forward to the next year. And
thanks again!
Your Friend,

Dear Blackburn and Green,
Thank you so much for always supporting
me, your support means so much. I
am going to use the funds to pay
for future livestock projects. Without
people and companies like you,
4-H would not be possible. Once
Again, Thank you!
