

Dear Mr. Blackburn,

You made such a difference,  
and it is so deeply appreciated.

We are extremely grateful for your generous contribution towards Chloe's wheelchair bicycle. Chloe & her parents are riding the bike nearly every day - even in 90°+ heat. She told us the other day that "this is better than Christmas & her birthday." Thank you for making Chloe's lifelong dream come true.

Blessings to you,  
Sandy Pitonour & the  
Chloe Penrose Family
