*I wish to have an outdoor  
area to listen to the birds*

**Campbell, 14**  
genetic disorder

Dear Friends of Make-A-Wish,

Thank you for your heartfelt gift of \$500.00 to Make-A-Wish® Ohio, Kentucky and Indiana in support of the Hope is Essential Gala on 4/13/2022. Your partnership is vital to our ability to make more life-changing wishes come true for kids like Campbell who battles a rare genetic disorder. This past year we granted her unique wish for an outdoor area to listen to the birds.

*"Campbell's wish has increased our happiness and quality of life.  
As a parent, to have the focus be on something happy that brings her joy  
is even better than we could have ever imagined."*

- Campbell's mom, Michelle

Every 20 minutes, a child like Campbell is diagnosed with a critical illness. Research shows that children who have wishes granted can build the physical and emotional strength they need to fight their critical illnesses, potentially improving their quality of life, and producing better health outcomes. Simply put, your contribution helps provide extraordinary and memorable experiences that deliver hope.

We look forward to sharing with you the impact of your meaningful gift and assure you that we are working hard to grant the heartfelt wishes of more local children. You can learn more about our organization and see the impact donations like yours make by visiting our website at [wish.org/oki](http://wish.org/oki).

Thank you for making a difference for local wish kids in your community.

With gratitude,

**Keri Haibach**  
Chief Advancement Officer
