Dear Tom,

Thank you for your gift to Habitat for Humanity. Your donation helps make the desire for safe, secure homes a reality for families across the world. **Your kindness fuels real change.**

People who partner with us are empowered. Habitat homeowners pay affordable mortgages, they no longer live in unhealthy conditions, and many tell us their family's health improves after moving into their new home. Seniors can age in place, and veterans can save for the future, achieve stability, and experience security. **Owning a Habitat home is transformative, and your generosity makes this possible.**

Our vision is a world where everyone has a decent place to live. We appreciate your compassion and financial support. Together, we can build more homes and better communities and renew hope. Thank you.

In partnership,
