

Dear Tom,

Because of your generous donation LLS of NE Indiana had a record breaking year raising \$719,029 for the advancement in cures for leukemia and lymphoma. I personally want to thank you for your support. I was able to raise a record \$303k and was named visionary of the year for 2022. My hope is that this will challenge others going forward to exceed my record for the advancement of LLS.

Yours truly,
Deborah Sturges
