Blackburn Romey,

Thank you for your generous sponsorship of Black Pine's Tee Off for Tigers 2024 Golf Scramble (Friday, June 21)! We so appreciate your willingness to partner with us in our effort to save and change more lives! We remain committed to our mission of providing REFUGE for the REST of their lives and are grateful you value our work and support our mission.

In 2022 we saw a tremendous influx of animal adoption requests and 2023 is starting that way as well. We welcomed eight new animals to the sanctuary: four reptiles confiscated by PETA from a roadside zoo on the east coast, a young female coatimundi whose abandonment was featured in People Magazine, two wolf dog hybrids who were hours from euthanasia, and a young snow macaque who had been purchased at birth as a designer pet and quickly abandoned. With the exception of the coatimundi and wolves, all of the animals arrived at Black Pine with severe medical conditions. While challenging, these situations remind us over and over why our work is so important. In autumn of 2022, Black Pine was granted permanent ownership of the four tigers seized from the former Tiger King Zoo. Prince, Ima, Patronus and Elvis will now have REFUGE for the REST of their lives.

Providing quality care to our 90+ residents remains our top priority. Your donation allows Black Pine to continue providing exceptional care including food, enrichments and veterinary care. Without your support, none of this would be possible.

It is through the continued support of businesses such as yours that we are able to continue making a difference. On behalf of the animals, staff and board of directors, we thank you.

Below are the gift(s) we acknowledge at this time:

\$200.00 - Check #39252 - 12/29/2023
