A *hope* CENTER

YOU MATTER. WE CARE.

Dear Tom Blackburn,

Thank you for your generous contribution to A Hope Center. Another family wanted to share their story to thank you as well:

My wife and I moved into our current house in July of 2017. A Hope Center is close to our residence, so we passed by it constantly. We were always curious about the services A Hope Center offered, but we never really had a need to pursue their services. Fast forward a few years, and my wife and I were ready to start a family. A Hope Center confirmed my wife's pregnancy with our first daughter, and we took classes until COVID hit. Recently we have welcomed our second daughter and it has been a blessing to be able to continue taking classes that pertain to both stages of our daughters' lives from newborn to toddler. My wife and I had absolutely no idea what to expect. A Hope Center provided information regarding breastfeeding, safe sleeping habits, car seat safety, and an overall "what to expect," which relieved a lot of anxiety, stress, and fears.

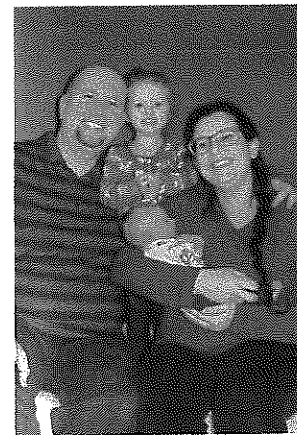

When we found out we were expecting, we were overjoyed and overwhelmed with feeling blessed. The amount of support and encouragement my wife and I received at A Hope Center was off the charts regarding what we were expecting. The staff always went above and beyond expectations regarding services delivered and meeting our emotional and spiritual needs.

One of the many things we love about A Hope Center is they are a faith-based organization who loves Christ and people, in that order (as it should be!) At our time with this very special organization, we have been covered in prayer and spiritual truths.

My wife and I tell everyone about A Hope Center. We have absolutely zero regrets with pursuing this wonderful organization back in 2019, and we have no plans on stopping taking classes from this wonderful organization until our youngest ages out of eligibility!

Our family has been blessed beyond measure from A Hope Center, and our prayer is that this organization will continue to instill hope and light in this world.

Andrew and Family

God's Blessings!
