Dear Mr. Tom Blackburn,

Thank you so much for your generous 2022 donations totaling \$250.00 to benefit Shriners Hospitals for Children®. Your continued support helps maintain our commitment to reaching as many children as possible, wherever they may live, and offering them our unique, patient-centered, wrap-around care, *regardless of the families' ability to pay.*

As one of the largest pediatric subspecialty health care systems in the world, Shriners Hospitals for Children offers care for a range of orthopedic conditions, burn injuries, craniofacial conditions, spine care and spinal cord injuries, colorectal and gastrointestinal care and sports medicine. In addition to caring for children at our primary locations in the United States, Canada and Mexico, we hold outreach clinics all over the world to provide hope and healing to more children in more places.

For over 100 years, we have been devoted to providing the Most Amazing Care Anywhere to every child who has come through our doors — over 1.5 million children — and with your help, we will be there for every child who comes to us in the next 100 years!

We simply cannot do it without you. Thank you for being part of our Shriners Hospitals for Children family!

Warmest wishes,

Stuart P. Sullivan  
Chief Development Officer
