Dear Tom,

On behalf of all our young patients, thank you so much for your generosity to Shriners Children's™ and joining us in providing hundreds of thousands of children life-changing pediatric specialty care — *regardless of the families' ability to pay or insurance status.*

Your gift of \$250 given 3/26/2024 to our recent Supporter Card Campaign will help us provide the highest quality care in a compassionate, family-centered environment to children and their families who face overwhelming medical and emotional challenges. Because you care, your donation will:

- ♥ Provide exceptional medical care to children who need it most.
We help over 140,000 children each year. Your gift puts us on track to help even more.
- ♥ Make a genuine impact on the life of a child.
Approximately 80% of every donation goes directly to patient care, research and education.
- ♥ Fund breakthrough research.
Our research teams include leading pediatric specialists whose discoveries have changed treatment methods and improved the lives of over 1.5 million children.

The fact is, we couldn't have provided The Most Amazing Care Anywhere™ for more than 100 years without your help, which is why your continued support is so vital. Once again, thank you for sending your Love to the rescue® to children in need and for being part of Shriners Children's.

Sincerely,

Stuart P. Sullivan
Chief Philanthropy Officer
